Dear Dr. Eisenberg:

By vote of the Board of Trustees of the Gordon Research Conferences, contributions from organizations which are primarily and directly involved in the sale and production of tobacco are not accepted.

Enclosed, please find check #48470 in the amount of \$2,000 representing the donation to the 1992 Gordon Research Conference on Vascular Cell Biology. The original check from the Tobacco Research Institute was sent to Columbia University who in turn sent us a check for \$2,000.

Thank you for your interest and comments.
